Overview and Learner Outcome

Come experience Colorado's Rocky Mountains at the Western Pediatric Trauma Conference 2016. The conference will take place July 20-22, 2016 in Aspen/Snowmass, a world-class destination offering outdoor adventure, arts and culture with small-town charm.

The Western Pediatric Trauma Conference features nationally renowned faculty in the fields of pediatric trauma, the pediatric surgical sub-specialties, critical care, emergency medicine and pre-hospital care. The program content is targeted to physicians and health care professionals who care for injured children. Participants will be able to propose practice improvements to their teams based on evidence-based guidelines, tools and resources presented at the conference.

Opportunities for oral and poster abstract presentations are available. Oral presentations are eligible for manuscript publication in the Journal of Pediatric Surgery. For complete information visit www.pedtrauma.org.

Objectives

Upon completion of this course, participants should be able to:

- Apply newly acquired knowledge in the management of pediatric trauma patients.
- Formulate resuscitation strategies using evidence-based guidelines.
- Select appropriate diagnostic and therapeutic algorithms for specific injury types.
- Assess the evidence supporting diagnostic algorithms and clinical pathways.

Continuing Education Credit

A certificate of attendance will be available upon completion of the online evaluation. Claim only those hours you attend (7/20: 6.5 hours, 7/21: 6.25 hours, 7/22: 3.75 hours).

Medical: Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Children's Hospital Colorado designates this live activity for a maximum of 16.5 *AMA PRA Category 1 Credit(s)*[™].

Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing: Children's Hospital Colorado is an approved provider of continuing nursing education by the Western Multi-State Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This educational activity for 16.5 nursing contact hours is provided by Children's Hospital Colorado.

EMS: Children's Hospital Colorado is a State of Colorado recognized EMS Training Group (CO-049) and will provide 16.5 continuing education credits for pre-hospital providers.

Other: A general certificate of attendance will be provided for all other healthcare providers.

Video, Abstracts & Poster Submissions

April 4, 2016 | www.pedtrauma.org

Multidisciplinary video, scientific abstract and poster submissions will be accepted until April 4, 2016. Details on content and format can be found on the WPTC website.

LODGING & FUN

VICEROY

Aspen/Snowmass, Colorado
